# Billy Miske Fails to Arrive; Brennan Puts in Hard Work

Miske is to work at the Brady hotel this afternoon providing he is in town. Billy writes that he is in shape now and expressed great confidence in his ability to win from Brennan, whom he characterizes as one of the hardest men in the game to heat. Miske has been working in, St. Paul and will only add finishing touches to his training today and tomorrow.

Brennan is likewise in shape to be stated to be supported by the support of the July 4 battle for the title.

## WILLARD'S CONDITION **WILL SURPRISE FANS**

tems of Old Masters of the Yung

The ponderous Jess Willard, heavyweight champion of the world, is not lacking in knowledge of ring s not latking in knowledge of ring requirements in these days as ne was before the great mayana oattle in which he won the crown from Jack Johnson. Mefore the arrangements for the big scrap were made, Jess knew little of real boxing and still less of training methods, but had a look few brains and he knew that to win the most learn more at boxing and still less of training methods. ne must learn more of boxing and conditioning systems. Clever sparring partners and trainers were hired and

conditioned scrapper of the two when the and the negro met and he also proved the cleverer.

White everyone thought that the big fellow was allowing himself to 1,000 go to seed, he was learning still maps of training methods it wasn't advertised, but Willard studied the systems of all the old time gladiators and picked out the good points of each. He only trained a short time for his bout with Frank Moran at Madison Square Garden in New York, but even in that short time he was able to enter the ring in surhe was able to enter the ring in sur prisingly good shape and gave Morat a trouncing that he never will for-set. He hasn't fought since and has athered pounds of superflous meat. set. He hasn't fought since and has Kathered pounds of superflous meat. but you can wager all your bank book is worth that Jess has not forgotten the lessons he studied about condition and the manner of getting ling game of the season here 5 to 4. J. Walker but you can wager all your bank book is worth that Jess has not for-gotten the lessons he studied about

right.

The wily scrapper picked out Jim Jeffries plan of going into training by dieting first. He started to diet himself some time ago in preparation Kitchens: Ellis and Colsman. for the hard training grind for the Defitpsey scrap. He will continue to do so until he gets his stomach in proper shape to stand the hard knocks of the heavier work, lesides his dieting. Jess has stairted hite light gymnasium work, just enough to properly digest his food and keep the muscles loosened up so that they went stiffen when the great strain is put on them later on he started with short, runs and rope skipping and a little shadow hoxing with light weights in his hands. After he had or the hard training grind for the

the muscles loosened up so that they wont stiffen when the great strain is put on them later on: ite statled with short, runs and rope skipping and a little shadow hoxing with light weights in his hands After he had kept this up for a time, he pursed on Jim Corbett's old stunt of slamming a light punching bag to develop speed in punching and quickness of eve.

All this work is in the nature of light exercise and he has already reduced his weight considerably. The hig champion will probable extend his road trips as he gelt going lefter and a little later will start with the sand bag and heavy punching bag. A week or so with this sort of work and hell he ready for aparring partners to whale around. It the time he gets the sparring partners to whale around it the stronger of the strengths as the sparring partners to whale around it to the lime he gets the sparring partners to whale around to the lime he gets the sparring partners to whale around its the strengths as the sparring partners. At any rate, Jack Specily of the Yonkers Herald is not the only sport will be in single large. At any rate, Jack Specily of the Yonkers Herald is not the only with the change of the property of the with the champion.

will be increased until at last he work will be increased until at last he will be going at full ateam and the puglifield work will be surprised at the condition that "Flahly less" has acquired, when he steps the the ting for the surap with Dempsey.

for the strap with Dempsey.

Many spart fans have suggested that the long layoff has weakened Willard to such an extent that to-caunit ever hope to reach his less roadition. What has be shore that slees neonle such ideas? He was never a great one to dissinate he is a home-loying man had had had no necasion to run bround a great deal Traveling with his circus really been birt in fair shape. birs in fate shape, for he bearing above to he bearing the distriction of the boxed in the KRUMREL CONSTRUCTION CO.

Billy Miske, heavyweight boxer, who meets Bill Brennan at Convention hall next Monday night. Jairs Heedy, Miske's manager: Leo Fiynn pilot of Brennan, and Kill Norfolk, negree heavyweight, also under Flynn's direction, who were scheduled to arrive in Tuissa last night had not come in at an earty hour this morning. Nothing regarding with Britt Sims, in addition to with Britt Sims, in addition to with Britt Sims, in addition to their whereabouts was heard so it is assumed they will arrive this morning.

Miske is to work at the Brady house Mary and Iomorrow, his final day's of work.

John Reisler's match is receiving Daymon.
